## Notice A14/2014

### USAGE OF ELECTRICITY PURCHASE AS A LEVERAGE TO INCREASE REVENUE

Notice is hereby given of a resolution passed by the Municipal Council of Mohokare LM on a meeting held in Smithfield on the 28<sup>th</sup> August 2014 whereby Council approved the use of electricity as a leverage to support the revenue enhancement strategy as part of debt collection.

**By doing so the first 30% on electricity purchases will serve to address arrears on the relevant outstanding municipal account.**

The arrangement will be implemented in line with the municipality's Credit Control and Debt Collection Policy and will become effective from **01 October 2014**.

Eskom and Centlec have been engaged on the matter and the pre-paid systems will be modified to make provision for such.

Public members are requested to familiarize themselves with the arrangement.
