CHAPTER 1

IMPLEMENTATION OF SUPPLY CHAIN MANAGEMENT POLICY

Supply chain management policy

2. (1) All officials and other role players in the supply chain management system of the municipality must implement this Policy in a way that –
- (a) gives effect to –
 - (i) section 217 of the Constitution; and
 - (ii) Part 1 of Chapter 11 and other applicable provisions of the Act;
 - (b) is fair, equitable, transparent, competitive and cost effective;
 - (c) complies with –
 - (i) the Regulations; and
 - (ii) any minimum norms and standards that may be prescribed in terms of section 168 of the Act;
 - (d) is consistent with other applicable legislation;
 - (e) does not undermine the objective for uniformity in supply chain management systems between organs of state in all spheres; and
 - (f) is consistent with national economic policy concerning the promotion of investments and doing business with the public sector.
- (2) This Policy applies when the municipality –
- (a) procures goods or services;
 - (b) disposes goods no longer needed;
 - (c) selects contractors to provide assistance in the provision of municipal services otherwise than in circumstances where Chapter 8 of the Municipal Systems Act applies; or
- (3) This Policy, except where provided otherwise, does not apply in respect of the procurement of goods and services contemplated in section 110(2) of the Act, including –
- (a) water from the Department of Water Affairs or a public entity, another municipality or a municipal entity; and

- (b) electricity from Eskom or another public entity, another municipality or a municipal entity.

Amendment of the supply chain management policy

3. (1) The accounting officer must –
- (a) at least annually review the implementation of this Policy; and
 - (b) when the accounting officer considers it necessary, submit proposals for the amendment of this Policy to the Council.

(2) If the accounting officer submits proposed amendments to the Council that differs from the model policy issued by the National Treasury, the accounting officer must –

- (a) ensure that such proposed amendments comply with the Regulations; and
- (b) report any deviation from the model policy to the National Treasury and the relevant provincial treasury.

(3) When amending this supply chain management policy the need for uniformity in supply chain practices, procedures and forms between organs of state in all spheres, particularly to promote accessibility of supply chain management systems for small businesses must be taken into account.

Delegation of supply chain management powers and duties

4. (1) The Council hereby delegates all powers and duties to the accounting officer which are necessary to enable the accounting officer –
- (a) to discharge the supply chain management responsibilities conferred on accounting officers in terms of –
 - (i) Chapter 8 or 10 of the Act; and
 - (ii) this Policy;
 - (b) to maximise administrative and operational efficiency in the implementation of this Policy;

- (c) to enforce reasonable cost-effective measures for the prevention of fraud, corruption, favouritism and unfair and irregular practices in the implementation of this Policy; and
- (d) to comply with his or her responsibilities in terms of section 115 and other applicable provisions of the Act.

(2) Sections 79 and 106 of the Act apply to the sub delegation of powers and duties delegated to an accounting officer in terms of subparagraph (1).

(3) The accounting officer may not sub delegate any supply chain management powers or duties to a person who is not an official the municipality or to a committee which is not exclusively composed of officials of the municipality;

(4) This paragraph may not be read as permitting an official to whom the power to make final awards has been delegated, to make a final award in a competitive bidding process otherwise than through the committee system provided for in paragraph 26 of this Policy.

Sub delegations

5. (1) The accounting officer may in terms of section 79 or 106 of the Act sub delegate any supply chain management powers and duties, including those delegated to the accounting officer in terms of this Policy, but any such sub delegation must be consistent with subparagraph (2) of this paragraph and paragraph 4 of this Policy.

(2) The power to make a final award –

- (a) Above R10 million (VAT included) may not be sub delegated by the accounting officer;
- (b) Above R2 million (VAT included), but not exceeding R10 million (VAT included), may be sub delegated but only to –
 - (i) the chief financial officer;

- (ii) a director; or
 - (iii) a bid adjudication committee of which the chief financial officer or a director is a member; or
- (c) not exceeding R2 million (VAT included) may be sub delegated but only to –
 - (i) the chief financial officer;
 - (ii) a director;
 - (iii) a manager directly accountable to the chief financial officer or a director; or
 - (iv) a bid adjudication committee.
- (3) An official or bid adjudication committee to which the power to make final awards has been sub delegated in accordance with subparagraph (2) must within five days of the end of each month submit to the official referred to in subparagraph (4) a written report containing particulars of each final award made by such official or committee during that month, including–
 - (a) the amount of the award;
 - (b) the name of the person to whom the award was made; and
 - (c) the reason why the award was made to that person
- (4) A written report referred to in subparagraph (3) must be submitted –
 - (a) to the accounting officer, in the case of an award by –
 - (i) the chief financial officer;
 - (ii) a senior manager; or
 - (iii) a bid adjudication committee of which the chief financial officer or a senior manager is a member; or
 - (b) to the chief financial officer or the senior manager responsible for the relevant bid, in the case of an award by –
 - (i) a manager referred to in subparagraph (2)(c)(iii); or
 - (ii) a bid adjudication committee of which the chief financial officer or a senior manager is not a member.

- (5) Subparagraphs (3) and (4) of this policy do not apply to procurements out of petty cash.
- (6) This paragraph may not be interpreted as permitting an official to whom the power to make final awards has been sub delegated, to make a final award in a competitive bidding process otherwise than through the committee system provided for in paragraph 26 of this Policy.
- (7) No supply chain management decision-making powers may be delegated to an advisor or consultant.

Oversight role of council

6. (1) The Council reserves its right to maintain oversight over the implementation of this Policy.

(2) For the purposes of such oversight the accounting officer must –

- (a). (i) within 30 days of the end of each financial year, submit a report on the implementation of this Policy and the supply chain management policy of any municipal entity under the sole or shared control of the municipality, to the council of the municipality; and
- (ii) whenever there are serious and material problems in the implementation of this Policy, immediately submit a report to the council.

(3) The accounting officer must, within 10 days of the end of each quarter, submit a report on the implementation of the supply chain management policy to the mayor.

(4) The reports must be made public in accordance with section 21A of the Municipal Systems Act.

Supply chain management unit

7. (1) A supply chain management unit is hereby established to implement this Policy.

(2) The supply chain management unit operates under the direct supervision of the chief financial officer or an official to whom this duty has been delegated in terms of section 82 of the Act.

Training of supply chain management officials

8. The training of officials involved in implementing this Policy should be in accordance with any Treasury guidelines on supply chain management training.

CHAPTER 2

SUPPLY CHAIN MANAGEMENT SYSTEM

Format of supply chain management system

9. This Policy provides systems for –

- (i) demand management;
- (ii) acquisition management;
- (iii) logistics management;
- (iv) disposal management;
- (v) risk management; and
- (vi) performance management.

Part 1: Demand management

System of demand management

10. (1) The accounting officer must establish and implement an appropriate demand management system in order to ensure that the resources required by the municipality support its operational commitments and its strategic goals outlined in the Integrated Development Plan.

(2) The demand management system must –

- (a) include timely planning and management processes to ensure that all goods and services required by the municipality are quantified, budgeted for and timely and effectively delivered at the right locations and at the critical delivery dates, and are of the appropriate quality and quantity at a fair cost;
- (b) take into account any benefits of economies of scale that may be derived in the case of acquisitions of a repetitive nature; and
- (c) provide for the compilation of the required specifications to ensure that its needs are met.
- (d) To undertake appropriate industry analysis and research to ensure that innovations and technological benefits are maximized.

Part 2: Acquisition management

System of acquisition management

11. (1) The accounting officer must implement the system of acquisition management set out in this Part in order to ensure –

- (a) that goods and services are procured by the municipality in accordance with authorised processes only;
- (b) that expenditure on goods and services is incurred in terms of an approved budget in terms of section 15 of the Act;
- (c) that the threshold values for the different procurement processes are complied with;
- (d) that bid documentation, evaluation and adjudication criteria, and general conditions of a contract, are in accordance with any applicable legislation; and
- (e) that any Treasury guidelines on acquisition management are properly taken into account.

(2) When procuring goods or services contemplated in section 110(2) of the Act, the accounting officer must make public the fact that such goods or services are procured otherwise than through the municipality supply chain management system, including -

- (a) the kind of goods or services; and
- (b) the name of the supplier.

Range of procurement processes

12. (1) Goods and services may only be procured by way of –

- (a) petty cash purchases, up to a transaction value of R2 000 (VAT included);
- (b) Formal written quotations for procurements of a transaction value over R2 000 up to R300 000 (VAT included);
- (c) A competitive bidding process for–
 - (i) Procurements above a transaction value of R300 000 (VAT included); and

(ii) the procurement of long term contracts.

(2) The accounting officer may, in writing-

(a) lower, but not increase, the different threshold values specified in subparagraph (1); or

(b) direct that –

(i) Written quotations be obtained for any specific procurement of a transaction value lower than R2 000;

(ii) formal written price quotations be obtained for any specific procurement of a transaction value lower than R300 000; or

(iii) a competitive bidding process be followed for any specific procurement of a transaction value above R300 000.

(3) Goods or services may not deliberately be split into parts or items of a lesser value merely to avoid complying with the requirements of the policy. When determining transaction values, a requirement for goods or services consisting of different parts or items must as far as possible be treated and dealt with as a single transaction.

General preconditions for consideration of written quotations or bids

13. A written quotation or bid may not be considered unless the provider who submitted the quotation or bid –

- (a) has furnished that provider's –
 - (i) full name;
 - (ii) identification number or company or other registration number; and
 - (iii) tax reference number and VAT registration number, if any;
- (b) has authorised the municipality to obtain a tax clearance from the South African Revenue Services that the provider's tax matters are in order; and
- (c) has indicated –
 - (i) whether he or she is in the service of the state, or has been in the service of the state in the previous twelve months;
 - (ii) if the provider is not a natural person, whether any of its directors, managers, principal shareholders or stakeholder is in the service of the state, or has been in the service of the state in the previous twelve months; or
 - (iii) whether a spouse, child or parent of the provider or of a director, manager, shareholder or stakeholder referred to in subparagraph (ii) is in the service of the state, or has been in the service of the state in the previous twelve months.

14. Lists of accredited prospective providers

- (1) The accounting officer must –
 - (a) keep a list of accredited prospective providers of goods and services that must be used for the procurement requirements, that quotations may be obtained only through formal written processes. Verbal quotations are no longer allowed and
 - (b) at least once a year through newspapers commonly circulating locally, the website and any other appropriate ways, invite prospective providers of goods or services to apply for evaluation and listing as accredited prospective providers;
 - (c) Specify the listing criteria for accredited prospective providers as per paragraph (13); and
 - (d) Disallow the listing of any prospective provider whose name appears on the National Treasury's database as a person prohibited from doing business with the public sector.
 - (e) Evaluate the performance of all service providers on monthly basis and those who do not perform must be reported to national treasury.
- (2) The list must be updated at least quarterly to include any additional prospective providers and any new commodities or types of services. Prospective providers must be allowed to submit applications for listing at any time.
- (3) The list must be compiled per commodity and per type of service.
- (4) Quotations may be solicited from suppliers who are registered on the government Central Supplier Database as required by MFMA Circular No. 81 issued by National Treasury.

Petty cash purchases

15. Paragraph 15 (a-d(i)(ii)) The accounting officer must establish the conditions for the procurement of goods by means of petty cash purchases referred to in paragraph 12 (1) of this policy, which must include conditions –

- (a) determining the terms on which a manager may delegate responsibility for petty cash to an official reporting to the manager;
- (b) limiting the number of petty cash purchases or the maximum amounts per month for each manager;
- (c) excluding any types of expenditure from petty cash purchases, where this is considered necessary; and
- (d) requiring monthly reconciliation reports from each manager to the chief financial officer, including –
 - (i) the total amount of petty cash purchases for that month; and (ii) receipts and appropriate documents for each purchase.

16. Written or verbal quotations

This section has been repealed.

Formal written price quotations

17. (1) The conditions for the procurement of goods or services through formal written price quotations, are as follows:

- (a) quotations must be obtained in writing from at least three different providers whose names appear on the central supplier's database of national treasury;
- (b) quotations may be obtained from providers who are not listed, provided that such providers meet the listing criteria set out in paragraph 14(1)(b) and (c) of this Policy;

- (c) if it is not possible to obtain at least three quotations, the reasons must be recorded and approved by the chief financial officer or an official designated by the chief financial officer, and
- (d) the accounting officer must record the names of the potential providers and their written quotations.

(2) A designated official referred to in subparagraph (1) (c) must within three days of the end of each month report to the chief financial officer on any approvals given during that month by that official in terms of that subparagraph.

18. Procedures for procuring goods or services through formal written price quotations

The procedure for the procurement of goods or services through written price quotations, is as follows:

- (a) A supply chain management policy must determine the procedure for the procurement of goods or services through formal written price quotations, and must stipulate; and
- (b) All requirements in excess of R30 000 (VAT included) that are to be procured by means of formal written price quotations must, in addition to the requirements of paragraph 17, be advertised for at least seven days on the website and an official notice board of municipality;
- (c) That the Accounting Officer must take all reasonable steps to ensure that the procurement of goods or services through formal written price quotations is not abused; and
- (d) That the Accounting Officer or Chief Financial Officer must on monthly basis be notified in writing of all formal written price quotations accepted by an official acting in terms of a sub-delegation.
- (e) Offers from R2000 up to R50 million (VAT included) except petty cash must be awarded based on compliance with 80/20 preference points scoring system

- (f). acceptable offers, which are subject to the preference points system (revised PPR and associated regulations), must be awarded to the bidder who scored the highest points;
- (g). council requirements for proper record keeping.

19. Competitive bids

A supply chain management policy must specify-

- (a) That goods or services above a transaction value of R 300 000 (VAT Included) may be procured by the municipality only through competitive bidding processes subject to paragraph 11(2).
- (b) That no requirements for goods or services above an estimated transaction value of R 300 000 (VAT Included) that may deliberately split into parts or items of lesser value merely for the sake of procuring the goods or services otherwise than through a competitive bidding process

20. Process for competitive bidding

The procedures for the following stages of a competitive bidding process are as follows:

- (a) Compilation of bidding documentation as detailed in paragraph 21;
- (b) Public invitation of bids as detailed in paragraph 22;
- (c) Site meetings or briefing sessions as detailed in paragraph 22;
- (d) Handling of bids submitted in response to public invitation as detailed in paragraph 23;
- (e) Evaluation of bids as detailed in paragraph 28;
- (f) Award of contracts as detailed in paragraph 29;
- (g) Administration of contracts

- (i) After approval of a bid, the accounting officer and the bidder must enter into a written agreement.
- (h) Proper record keeping
 - (i) Original / legal copies of written contracts agreements should be kept in a secure place for reference purposes.

21. Bid documentation for competitive bids

The criteria to which bid documentation for a competitive bidding process must comply, must –

- (a) take into account –
 - (i) the general conditions of contract and any special conditions of contract, if specified;
 - (ii) any Treasury guidelines on bid documentation; and
 - (iii) the requirements of the Construction Industry Development Board, in the case of a bid relating to construction, upgrading or refurbishment of buildings or infrastructure;
- (b) include the preference points system to be used, goals as contemplated in the Preferential Procurement Regulations and evaluation and adjudication criteria, including any criteria required by other applicable legislation;
- (c) compel bidders to declare any conflict of interest they may have in the transaction for which the bid is submitted;
- (d) if the value of the transaction is expected to exceed R10 million (VAT included), require bidders to furnish–
 - (i) if the bidder is required by law to prepare annual financial statements for auditing, their audited annual financial statements –
 - (aa) for the past three years; or
 - (bb) since their establishment if established during the past three years;

- (ii) a certificate signed by the bidder certifying that the bidder has no undisputed commitments for municipal services towards a municipality or other service provider in respect of which payment is overdue for more than 30 days;
- (iii) particulars of any contracts awarded to the bidder by an organ of state during the past five years, including particulars of any material non-compliance or dispute concerning the execution of such contract;
- (iv) a statement indicating whether any portion of the goods or services are expected to be sourced from outside the Republic, and, if so, what portion and whether any portion of payment from the municipality or municipal entity is expected to be transferred out of the Republic; and
- (e) stipulate that disputes must be settled by means of mutual consultation, mediation (with or without legal representation), or, when unsuccessful, in a South African court of law.
- (f) CSD summary
- (g) Valid Lease agreement in case of rental of office facilities.
- (h) Municipal clearance in respect areas exempted from billing by municipalities.

22. Public invitation for competitive bids

- (1) The procedure for the invitation of competitive bids, is as follows:
 - (a) Any invitation to prospective providers to submit bids must be by means of a public advertisement in newspapers commonly circulating locally, the website of the municipality or any other appropriate ways (which may include an advertisement in the Government Tender Bulletin and/or e-tender portal); and
 - (b) the information contained in a public advertisement, must include –
 - (i) the closure date for the submission of bids, which may not be less than 30 days in the case of transactions over R10 million (VAT included), or which are of a long term nature, or 14 days in any other

case, from the date on which the advertisement is placed in a newspaper, subject to subparagraph (2) of this policy;

- (ii) a statement that bids may only be submitted on the bid documentation provided by the municipality; and
- (ii) date, time and venue of any proposed site meetings or briefing sessions.

(2) The accounting officer may determine a closure date for the submission of bids which is less than the 30 or 14 days requirement, but only if such shorter period can be justified on the grounds of urgency or emergency or any exceptional case where it is impractical or impossible to follow the official procurement process.

- (3) Bids submitted must be sealed.
- (4) Where bids are requested in electronic format, such bids must be supplemented by sealed hard copies.

23. Procedure for handling, opening and recording of bids

The procedures for the handling, opening and recording of bids, are as follows:

- (a) Bids–
 - (i) must be opened only in public;
 - (ii) must be opened at the same time and as soon as possible after the period for the submission of bids has expired; and
 - (iii) received after the closing time should not be considered but recorded as late submission
- (b) Any bidder or member of the public has the right to request that the names of the bidders who submitted bids in time must be read out and, if practical, also each bidder's total bidding price;
- (c) No information, except the provisions in subparagraph (b), relating to the bid should be disclosed to bidders or other persons until the successful bidder is notified of the award; and
- (d) The accounting officer must –
 - (i) record in a register all bids received in time;

- (ii) make the register available for public inspection; and
- (iii) publish the entries in the register and the bid results on the website.

24. Negotiations with preferred bidders

(1) The accounting officer may negotiate the final terms of a contract with bidders identified through a competitive bidding process as preferred bidders, provided that such negotiation –

- (a) does not allow any preferred bidder a second or unfair opportunity;
- (b) is not to the detriment of any other bidder; and
- (c) does not lead to a higher price than the bid as submitted.

(2) Minutes of such negotiations must be kept for record purposes.

Two-stage bidding process

25. (1) A two-stage bidding process is allowed for –

- (a) large complex projects;
- (b) projects where it may be undesirable to prepare complete detailed technical specifications; or
- (c) long term projects with a duration period exceeding three years.

(2) In the first stage technical proposals on conceptual design or performance specifications should be invited, subject to technical as well as commercial clarifications and adjustments.

(3) In the second stage final technical proposals and priced bids should be invited.

Committee system for competitive bids

26. (1) A committee system for competitive bids is hereby established, consisting of the following committees for each procurement or cluster of procurements as the accounting officer may determine:

- (a) a bid specification committee;
- (b) a bid evaluation committee; and
- (c) a bid adjudication committee;

(2) The accounting officer appoints the members of each committee, taking into account section 117 of the Act; and

(3) A neutral or independent observer, appointed by the accounting officer, must attend or oversee a committee when this is appropriate for ensuring fairness and promoting transparency.

- (4) The committee system must be consistent with –
- (a) paragraph 27, 28 and 29 of this Policy; and
 - (b) any other applicable legislation.

(5) The accounting officer may apply the committee system to formal written price quotations.

Bid specification committees

27. (1) A bid specification committee must compile the specifications for each procurement of goods or services by the municipality.

- (2) Specifications –
- (a) must be drafted in an unbiased manner to allow all potential suppliers to offer their goods or services;
 - (b) must take account of any accepted standards such as those issued by Standards South Africa, the International Standards Organisation, or an authority accredited or recognised by the South African National

Accreditation System with which the equipment or material or workmanship should comply;

- (c) must, where possible, be described in terms of performance required rather than in terms of descriptive characteristics for design;
- (d) may not create trade barriers in contract requirements in the forms of specifications, plans, drawings, designs, testing and test methods, packaging, marking or labeling of conformity certification;
- (e) may not make reference to any particular trade mark, name, patent, design, type, specific origin or producer unless there is no other sufficiently precise or intelligible way of describing the characteristics of the work, in which case such reference must be accompanied by the word “equivalent”;
- (f) must indicate each specific goal for which points may be awarded in terms of the points system set out in the Preferential Procurement Regulations 2022; and
- (g) must be approved by the accounting officer prior to publication of the invitation for bids in terms of paragraph 22 of this Policy
- (h) must indicate each specific goals for which the points may be awarded in terms of preference points system set out in sec 51 of this policy and preferential procurement policy 2022

(3) Bid specification committee must be composed of one or more officials of the municipality, preferably the manager responsible for the function involved, and may, when appropriate, include external specialist advisor.

(4) No person, advisor or corporate entity involved with the bid specification committee, or director of such a corporate entity, may bid for any resulting contracts.

Bid evaluation committees

28. (1) A bid evaluation committee must –

- (a) evaluate bids in accordance with –
 - (i) the specifications for a specific procurement; and
 - (ii) the points system set out in terms of paragraph 27(2)(f).
- (b) evaluate each bidder’s ability to execute the contract;

- (c) check in respect of the recommended bidder whether municipal rates and taxes and municipal service charges are not in arrears, and;
- (d) Submit its report and recommendations to the adjudication committee regarding the award of the bid or any other related matters

(2) The bid evaluation committee must as far as possible be composed of:

- (a) Officials from departments requiring goods or services
- (b) At least one supply chain management practitioner of the municipality or municipal entity

Bid adjudication committees

29. (1) A bid adjudication committee must –

- (a) consider the report and recommendations of the bid evaluation committee; and
- (b) either –
 - (i) depending on its delegations, make a final award or a recommendation to the accounting officer to make the final award; or
 - (ii) make another recommendation to the accounting officer how to proceed with the relevant procurement.
 - (iii) bidders must accept municipal appointment within 7 days from the date of the receipts of such appointment letter

- (v) in any other exceptional case where it is impractical or impossible to follow the official procurement processes; and
- (b) ratify any minor breaches of the procurement processes by an official or committee acting in terms of delegated powers or duties which are purely of a technical nature.

(2) The accounting officer must record the reasons for any deviations in terms of subparagraphs (1)(a) and (b) of this policy and report them to the next meeting of the council and include as a note to the annual financial statements.

(3) Subparagraph (2) does not apply to the procurement of goods and services contemplated in paragraph 11(2) of this policy.

Unsolicited bids

37. (1) In accordance with section 113 of the Act there is no obligation to consider unsolicited bids received outside a normal bidding process.

(2) The accounting officer may decide in terms of section 113(2) of the Act to consider an unsolicited bid, only if –

- (a) the product or service offered in terms of the bid is a demonstrably or proven unique innovative concept;
- (b) the product or service will be exceptionally beneficial to, or have exceptional cost advantages;
- (c) the person who made the bid is the sole provider of the product or service; and
- (d) the reasons for not going through the normal bidding processes are found to be sound by the accounting officer.

(3) If the accounting officer decides to consider an unsolicited bid that complies with subparagraph (2) of this policy, the decision must be made public in accordance with section 21A of the Municipal Systems Act, together with –

- (a) reasons as to why the bid should not be open to other competitors;
- (b) an explanation of the potential benefits if the unsolicited bid were accepted; and
- (c) an invitation to the public or other potential suppliers to submit their comments within 30 days of the notice.

(4) The accounting officer must submit all written comments received pursuant to subparagraph (3), including any responses from the unsolicited bidder, to the National Treasury and the relevant provincial treasury for comment.

(5) The adjudication committee must consider the unsolicited bid and may award the bid or make a recommendation to the accounting officer, depending on its delegations.

(6) A meeting of the adjudication committee to consider an unsolicited bid must be open to the public.

(7) When considering the matter, the adjudication committee must take into account –

- (a) any comments submitted by the public; and
- (b) any written comments and recommendations of the National Treasury or the relevant provincial treasury.

(8) If any recommendations of the National Treasury or provincial treasury are rejected or not followed, the accounting officer must submit to the Auditor General, the relevant provincial treasury and the National Treasury the reasons for rejecting or not following those recommendations.

- (8) Such submission must be made within seven days after the decision on the award of the unsolicited bid is taken, but no contract committing the municipality to the bid may be entered into or signed within 30 days of the submission.

Part 3: Logistics, Disposal, Risk and Performance Management

Logistics management

39. The accounting officer must establish and implement an effective system of logistics management, which must include -

- (a) the monitoring of spending patterns on types or classes of goods and services incorporating, where practical, the coding of items to ensure that each item has a unique number;
- (b) the setting of inventory levels that includes minimum and maximum levels and lead times wherever goods are placed in stock;
- (c) the placing of manual or electronic orders for all acquisitions other than those from petty cash;
- (d) before payment is approved, certification by the responsible officer that the goods and services are received or rendered on time and is in accordance with the order, the general conditions of contract and specifications where applicable and that the price charged is as quoted in terms of a contract;
- (e) appropriate standards of internal control and warehouse management to ensure that goods placed in stores are secure and only used for the purpose for which they were purchased;
- (f) regular checking to ensure that all assets including official vehicles are properly managed, appropriately maintained and only used for official purposes; and
- (g) monitoring and review of the supply vendor performance to ensure compliance with specifications and contract conditions for particular goods or services.

40. Disposal management

- (1) The accounting officer must establish an effective system of disposal management for the disposal or letting of assets, including unserviceable, redundant or obsolete assets, subject to sections 14 and 90 of the Act, which must stipulate the following:

- that the Accounting Officer appoints a specific committee that could for practical purposes known as the Disposal committee (with Chairperson and

minimum of two members) to deal with disposals and to make recommendations with regard to the disposal assets

- that a Chairperson be a senior official, the chairperson may at any time during the process of evaluation of specialized assets, co-opt additional members who possess specialized knowledge in the relevant field

(2) The disposal of Assets must be by one of the following methods–

(i) Transferring the asset to another organ of state in terms of a provision of the Act enabling the transfer of assets;

(ii) Transferring the asset to another organ of state at market related value or, when appropriate, free of charge;

(iii) Selling the asset; or

(iv) Destroying the asset.

(4) The accounting officer must ensure that –

(a) immovable property is sold only at market related prices except when the public interest or the plight of the poor demands otherwise;

(b) movable assets are sold either by way of written price quotations, a competitive bidding process, auction or at market related prices, whichever is the most advantageous;

(c) in the case of the disposal of firearms, the National Conventional Arms Control Committee must approve any sale or donation of firearms to any person or institution within or outside the Republic;

- (d) Immovable property is let at market related rates except when the public interest or the plight of the poor demands otherwise;
- (e) All fees, charges, rates, tariffs, scales of fees or other charges relating to the letting of immovable property are annually reviewed;
- (f) Where assets are traded in for other assets, the highest possible trade-in price is negotiated; and
- (h) In the case of the free disposal of computer equipment, the provincial department of education must first be approached to indicate within 30 days whether any of the local schools are interested in the equipment.

Risk management

41. The criteria for the identification, consideration and avoidance of potential risks in the supply chain management system, are as follows:

- (1) Risk management must include –
 - (a) the identification of risks on a case-by-case basis;
 - (b) the allocation of risks to the party best suited to manage such risks;
- (c) acceptance of the cost of the risk where the cost of transferring the risk is greater than that of retaining it;
- (d) the management of risks in a pro-active manner and the provision of adequate cover for residual risks; and
- (e) the assignment of relative risks to the contracting parties through clear and unambiguous contract documentation.

Performance management

42. The accounting officer must establish and implement an internal monitoring system in order to determine, on the basis of a retrospective

analysis, whether the authorised supply chain management processes were followed and whether the objectives of this Policy were achieved.

Part 4: Other matters

Prohibition on awards to persons whose tax matters are not in order

43. (1) No award above R 2 000 as per MFMA regulation 43(1) may be made in terms of this Policy to a person whose tax matters have not been declared by the South African Revenue Service

(2) Before making an award to a person the accounting officer must first check with SARS whether that person's tax matters are in order.

(3) If SARS does not respond within 7 days such person's tax matters may for purposes of subparagraph (1) be presumed to be in order.

(4) The municipality shall make awards to suppliers that have been registered on the national treasury central database, who have central supplier database number only.

Prohibition on awards to persons in the service of the state

44. (1) Irrespective of the procurement process followed, no award may be made to a person in terms of this Policy –
